Here are some highlights from Monday night's meeting.

 Madeline Reeder- Secretary
 Judy Hart - Treasurer

We received two donations since our last meeting bringing our total to \$175.00.

A \$25.00 donation was made to ICAA for and ad in the Sports Banquet Program. This was continuing with the theme of presence to the community.

Several parents contacted Mrs. Kirkwood about helping with Science Olympiad.

The student chosen to be the liaison for the Class of 2008 to the Alumni Association will be presented a certificate at graduation. Catherine Farrell agreed to present the certificate. All alumni and friends are welcomed at graduation for support and encouragement. Mass is Wednesday, May 28 @ 8:00 p.m..

David & Thomas Allshouse were the liaisons for class of 2007 and thankfully Leslie offered to be editor of Heart Beats. We as a committee are most grateful to the Allshouse family.

It was decided that the newsletter would be bi-annual with the next issue going out in the mail by the first week of November. If any changes have to be made because of Leslie's teaching schedule, please contact Leslie Allshouse.

The next meeting is Monday, September 8th, 2008 6:30 p.m. Notices will be put in the bulletin and the Cecil Whig.

Judy Hart had a very nice booth at the last bazaar and the alumni will have a booth again this year. The bazaar is the second weekend before Thanksgiving.

Alumni will be invited for the Opening Mass of

Catholic Schools Week 2009 and coffee and donuts.

Thank you all for all the first year and good wishes for the 2007-2008 school year.

Since the Alumni Association was a recommendation from the Strategic Planning Committee of ICS, please feel free to use the committee as a resource.

Have a safe and enjoyable summer.

God Bless, Kathy Chamberlin
