

Top Ten Reasons to Come to ICS

1. Immaculate Conception School is a Christ-centered, Catholic environment in partnership with our parish, parents, staff, students, and community. Our school has strong religious values, and practices our Catholic faith daily.
2. There is a high level of respect between the students and staff. Teachers are very helpful to the students. The faculty and staff put the needs of the students first, with each student receiving individual attention.
3. Students are challenged academically both in classroom instruction and in a variety of areas, such as National Junior Honor Society, writing and poetry competitions, Geography Bee, Spelling Bee, Math and Science Olympiad, and Declamation. Our students are well-prepared for high school, receive numerous scholarships, and are prepared to be responsible and productive members of society.
4. Technology is used to augment academic studies through use of SMARTboards, the computer lab, library, and classroom settings. Our interactive conversational Spanish program is enhanced through the use of technology for grades Pre-K through 8.
5. Our science lab is used to boost instruction through science activities, labs, and experiments while utilizing the scientific method.
6. Our nurse and counselor encompass the mental, physical, and spiritual health of our students through whole school activities, classroom activities, and individual attention.
7. There are opportunities for students to demonstrate leadership and initiative through student council and service projects throughout the year. Other extra-curricular activities including band, yearbook staff, broadcast team, public speaking competitions, art contests, and the school play. We also have a variety of sports teams where all players participate.
8. There are many planned activities throughout the year to celebrate family and community like Special Persons' Lunch, field trips, Field Day, Race for Education, Waffles and Raffles, Christmas Bazaar, and class parties.
9. The school has a long-standing tradition, with many generations of families who continue to support the school.
10. We are a close-knit school community with a safe environment where students are encouraged to express themselves. **We are more than just a school community, we are family!**
